## **The Great Commission Theatre brings "Mother Teresa: The Beginnings" to the stage**

**San Antonio, TX** – The Great Commission Theatre presents *Mother Teresa: The Beginnings*, a stage play, **February 26, 2022**, in the **Thiry Auditorium** located at **Our Lady of the Lake University 411 SW 24th St, San Antonio, TX 78207**.

*Mother Teresa: The Beginnings* is presented with permission from the Mother Teresa Center, a non-profit organization established and directed by the religious family founded by Mother Teresa of Calcutta, the Missionaries of Charity. The historical play begins with Gonxha Agnes Bojaxhiu at age five and takes us on the journey as she experiences a "call within a call." Driven by a mighty faith, Mother Teresa responds to Christ's boundless love for her and for all of humanity, bringing to the world a great lesson in joyful and selfless love. This play is a glimpse at how it all began.

Directed by Veronica Montalvo, *Mother Teresa: The Beginnings* is master class on obedience, patience, and above all, love for Jesus. "From a young age, we can see the strong influence of her devout mother that became the foundation for her future apostolate." Montalvo continues, "Our prayer is that through this production, we can inspire others to listen to their inner voice, to not be afraid of the unknown, and to do everything with love. It is only through love and charity that we can share the person of Jesus with others."

**The reserved seating** ticket price range is \$15 to \$25 and can be purchased online at [www.greatcommissiontheatre.org/shows](http://www.greatcommissiontheatre.org/shows) or by calling the box office at 210-343-1122.

### **About The Great Commission Theatre**

The Great Commission Theatre (GCT) produces plays from a Christian worldview that captivates the imagination, hearts, and minds of audiences through the power of stories. Our aim is to stage productions that are relevant, inspire hope and encouragement, and accessible to all audiences. We partner with local playwrights to develop new work, provide job opportunities for actors, designers, and technicians, and contribute to the arts collective in San Antonio.

We are here to share stories that speak life into the experiences of every person in our present culture, meeting them where they are and where one can discover purpose in the human condition through faith, hope, mercy, grace, redemption, and above all, love.
